PROFESSIONAL SUMMARY

I am a results-driven Frontend Developer passionate about creating responsive, user-friendly, and visually appealing web applications. I have expertise in React.js, HTML, CSS,JavaScript, and Bootstrap, complemented by hands-on experience in UI/UX design and component-based architecture. My aim is to leverage my creative and technical skills in a dynamic role focusing on modern frontend development

TECHNICAL SKILLS

Frontend: HTML, CSS, Bootstrap, JavaScript, React.js.
Backend: NodeJS, ExpressJS, MongoDB

PROJECTS

Learning App : JavaScript, React, Bootstrap, CSS, HTML.
- Developed a **React-based Learning Management System (LMS)** with dynamic course listing and enrollment functionality.
- Implemented **login-based access control**, restricting course enrollment to authenticated users.
- Built **category-wise course filtering** using React state management for a smooth user experience.
- Integrated **React Router navigation** for seamless page transitions and protected user flow.
- Designed a **responsive and user-friendly interface** using reusable components and modern UI practices.

De Chat App : JavaScript, React, Bootstrap, CSS, HTML **.**
- Built an **interactive chat interface** using React.js for real-time user communication.
- Implemented **component-based UI architecture** to manage chat lists, messages, and user profiles efficiently.
- Integrated **secure authentication flow** on the frontend to control user access and sessions.
- Managed **application state and message updates** to ensure instant UI refresh during conversations.
- Designed a **responsive and user-friendly layout** optimized for multiple screen sizes and devices

EDUCATION

Bachelor's Of Computer Engineering	2022 - 2025
Savitribai Phule Pune University	
Diploma In Computer T echnology	2018 - 2020
Maharashtra State Board Of Technical Education	

CERTIFICATIONS

MERN Stack (2025) - MERN Stack certification course from Speedup Infotech, Pune, providing hands-on experience.
